

Masking Concentrate

is a concentrated formula liquid deodorizer for portable toilets. It has ability to control uncomfortable foul smell in portable toilets in all seasons. Additional odour control agents can be added to enhance the performance in hot & humid summer months. It has non-staining royal blue colour to hide the toilet waste and appealing fruity perfumes. **Masking Concentrate** breaks down toilet waste & tissues which helps pump out.

Direction for use: Use 1-2 oz directly in to the toilet. Alternately, pour the content of a 22.7 Litre(6 gal.) in an empty 208 litre (55 gal.) drum and fill the rest with water. Stir thoroughly. This is now a Ready to Use (RTU) liquid. Use 120 ml.(4 oz) per toilet per week. Hot & humid conditions may need more product. Dump waste only at a designated site as per the local laws.

Toxicity of material

Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. However, the product may be harmful to marine life if released in natural waters. Contents are unlikely to corrode any plastic surface.
